

DOUBLE DEDICATURE

We, the annual staff of the Gunnison Attendance Center, deem it both a pleasure and a necessity to dedicate this little book to two wonderful teachers who are leaving us at the end of this year. Their teaching has been excellent and their efforts have caused lasting effects on both our school and community. We thereby affix to this dedicatory the names of both.

MRS. THELMA SHAFFER

To Mrs. Shaffer we say Goodbye and Thank You. The "goodbye" is not to be a final word--for we want to see and visit with you often in the future --but, the "thank you" is meant as an everlasting and endless expression of appreciation for the many years of service you have rendered to us as individuals, to our school and to our community.

We wish you all the happiness and good health that the future can possibly bestow upon you; and, as what we hope is just a temporary parting, we bid you-- BON VOYAGE.

MRS. ELIZABETH ANN ALFORD

To Mrs. Alford, a truly dedicated teacher, we reiterate with emphasis our "goodbyes and thank you's". We thank you for being so generous and thoughtful when deciding to fill a teaching vacancy at the last minute. Our thanks for your extra effort and individual attention extended to each of us throughout the year and that extra-special care and concern--above and beyond your teaching duties--for the welfare and social development of each of us. We realize that this short time you have shared with us will cause an impact upon our lives we shall never forget. To you then, dear teacher, we benignly say, AU REVOIR.
