Carmichael House Iuka, Miss.

1869—this home next door to the Dormitory Annex was constructed for use as a boarding house for students attending Iuka Female College, and later Iuka Normal Institute. The frame house is "L" shaped with two rooms upstairs and five rooms on the entry level. The two basement rooms under the "L" wing were used as a kitchen and dining room during the dormitory days.

1981—during remodeling, six of the original ten fireplaces were made operable.
