Preface

The Tishomingo County Historical & Genealogical Society (TCHGS) gratefully acknowledges the assistance of Pat Nichols, RaNae Vaughn, Helah Wilson, and Janice Switcher for transcribing and proofreading this document. This document has been transcribed exactly as it was prepared by the County's Department of Education. While every effort has been made to present the material in its original content, the Tishomingo County Historical & Genealogical Society (TCHGS) accepts no responsibility for misspelled names, misplaced dates, subjects which were left out, or other human errors. At times, various names within the document appear to have the person's gender listed incorrectly; however, it was transcribed exactly as it was listed. It is our wish that this document will be useful to you in your genealogical research. Errors will hopefully be minimal.

This document may be used for personal research. Non-commercial entities may use this document as long as all notices and submitter information is included. Any other use, including copying files to other sites, requires permission from the Society prior to uploading to the other sites. These pages may not be reproduced in any format for profit.
