Clement Cemetery

John Sawyer, the site manager at River Trace and Gary Matthews, the Tishomingo County Development Foundation Director recently provided TCHGS with information on the Clement Cemetery. River Trace is interested in restoring and preserving the cemetery. Any information on the history of this cemetery will be greatly appreciated.

Directions: From new River Trace subdivision in the Eastport Community, access road at River Trace (currently not paved), park on side of road 100 feet past access road. Walk on right side into woods about 100 feet to broken tombstones. Only one grave is partially visible and the others are face down and he didn't want to disturb them.
