SOUTHERN BELL ANNOUNCES SLOW DOWN OF OPERATIONS DURING TESTING PERIOD

H. H. Landrum, Manager, Southern Bell Telephone and Telegraph Co., announced today very apologetically. It would be absolutely necessary to curtail activities during a thirty to forty day testing period on new telephones in the new telephone office. This will begin August 6, 1949.

It will be next to impossible to move telephones from one address to another or to make any new connects during this period. Mr. Landrum said, "I would like to offer my sincere apologies for the inconveniences this will cause and ask for your usual consideration during this trying period." "We are striving to put into operation the type of telephone service we think the people of Iuka are entitled to," was the words Mr. Landrum used in asking the cooperation of the many telephone subscribers in Iuka.

SARTAIN HOME AT BELMONT DESTROYED BY FIRE SUNDAY

BOBBY SARTAIN BADLY BURNED IN EFFORT TO EXTINGUISH FLAMES

Mr. Ellis Deaton Saw Fire and Turned in Alarm

Mr. J. H. Sartain's home was destroyed Sunday afternoon about 5 o'clock by fire. Only a few of the contents of the house were saved.

Bobby Sartain was cooking supper at the absence of his mother who was visiting in Columbus, Miss., when a pan of hot fat caught on fire and in his effort to put out the blaze he was badly burned on the right arm, and while he was rushed to the Dr. by his father, fat he spilled on the floor caught on fire and the house was blazing when a neighbor, Mr. Ellis Deaton saw the fire and turned in the fire alarm. Volunteer fire fighters rushed to the rescue but the fire had gained too much headway that their efforts were almost hopeless.

NEW STATE MAPS NOW AVAILABLE

Shows New Scenic Highways and Industrial Development

Of interest to Mississippians is a new road map just off the press and now available through the State Highway Department in a "1949 edition."

Many links of improved and new highways have been added to this latest map. Deadline for the material was set in June, but many projects in a state of near completion are shown as completed.

One outstanding addition to the map is locations of roadside parks. These rest stops have become attractive to local citizens and travelers as well as tourists and ultimate plans call for many more such stops. Each roadside park is equipped with two concrete tables, suitable benches, open fire place, and trash cans. Inspections and maintenance of these facilities is carried on by district State Highway Department maintenance crews.

In addition to the roadside parks, state forests are shown as well as lakes, state parks, airports, and county seats. Enlarged sections of thirteen of the States largest cities are shown along the maps indicating through routes across town. Also shown are essential "rules of the road" with illustrations and traffic hand-signals.

The reverse of the official map is done in multicolor of scenic highways, agriculture, industry, shipping, and the oil industry. When folded a front view of the State capitol building is on the outside. Twelve scenes in all make up the picture story.

KIMBERLY HOME RAZED BY FIRE

DAMAGE ESTIMATED AT UPWARD OF \$4,000

Information Received Late For Detailed Writeup

A fire of undetermined origin destroyed the second story of the P. E. Kimberley home and heavily damaged the entire house Wednesday night August 3rd at 1:30.

All furniture and clothes upstairs was burned. Downstairs the furniture was damaged slightly and most of the clothes saved.

The estimated damage upwards is \$4,000.00.

The Kimberley home had been completely done inside and much work had been done on the outside.

The Kimberley's had lived at this location for thirty-two years and it is probable that it will be rebuilt.

SIXTY-SIXTH YEAR HIGHLIGHTS AND TOPICS

By Bob Towery

Veterans of Foreign Wars of the United States and Iuka are this year celebrating 50 years of Patriotic service. As a special tribute to this splendid record of achievement, WCMA, Corinth, will present a special program Saturday, August 6th from1:00 p. m. to 1:30 p. m. This is Radio's salute to the Golden Jubilee of the Vets of America's oldest and largest overseas veteran fraternity.

SIGN LANGUAGE

On a struggling lawn in Chicago: "Your Feet Are Killing Me!" In a roadside eating house near the U. S. rubber plant in Des Moines: "We Cash Rubber Checks." In an Iowa insurance office: "Honestly, It's the Best Policy." On a frozen custard booth—last of a chain that stretches from mid-New York State to the Pennsylvania line: "Custards Last Stand."

A wedding cake spun sugar decorations including various designs such as lilies, valley lilies, orchids, and roses, etc., is one of the modern creations of the Court Street Bakery of Florence.

Tishomingo County people find the Court Street Bakery a pleasant place to fill their needs in this line. All kinds of party sandwiches and fancy mints are available here to save the hostess much hard work, worry, and anxiety.

It was rush hour and the subway car was jammed. A big blonde giant of a man, hanging carelessly on to a strap, lost his balance when the car jerked, landing squarely in a forbidden looking woman's lap. Before he could apologize, she blurted indignantly, "you big Swede!" "Lady, I'm not a Swede," he replied calmly. "I'm a Laplander."

A tourist taking pictures of out of the way places in New Mexico drove up a dry creek bed as far as he could go. From a weathered cabin perched on the mountain side, an old nester came out to exchange greetings. "Pretty country," said the tourist. "Been here long?" "About forty years," was the reply. "Done well, I presume?" "Yep, I figure I've earned about a million dollars. Of course, I ain't collected none of it. Been workin' for myself."

Mrs. Leonard Perry, a former Iukan and now a Texan, residing in Houston, is back in her native Iuka visiting her sister, Mr. and Mrs. Clyde Alexander. Reminiscent of yesteryear said Mrs. Perry is the old Model T, which was the property of Mr. Billy Brinkley, the only horseless carriage in Iuka at the time. We were really becoming a fast people in those days, so we thought, said Mrs. Perry with a speedy "Lizzy" in our midst.

Blue Mountain, Miss., Aug. 1—The summer convocation of Blue Mountain College will take place Wednesday, Aug. 10, at 4:00 p. m. on the campus in front of the Whitfield Residence Hall. Rev. W. L. Day, pastor of the Calvary Baptist Church, Tupelo, will be the principal speaker. Ten graduates will receive the Bachelor of Arts degree, which will bring the total number of graduates for the year to twenty.

Work has at last begun on the school improvements in Iuka with foundation being laid this week for the gym and Colored school.

Wiring has been finished for the high school building. All old hazardous wiring has been removed and new wiring was placed.

DECLARE WAR ON CARELESS DRIVERS

Mississippi Highway Patrol Issues Final Warning to Motorists

Following a series of highway mishaps where a number of deaths were involved, Colonel T. B. Birdsong called a meeting of all District Supervisors to devise ways and means to stop the vast number of deaths on the highways and streets of our State. It was agreed that the Mississippi Highway Patrol now for eleven years have been warning people and still some people continue to disregard all laws and rules of safety.

We refuse to call these so-called accidents, "accidents" any more. An accident is something that could not be prevented. We say they are traffic mishaps for every one avoidable.

There is absolutely no such thing as an unavoidable traffic accident. Someone's carelessness causes death and destruction on our highways when these mishaps occur. Let's look at the record for the past two weeks:

One mishap near Creger killed 4; two more will probably die.

Clarksdale Dead: 4

Batesville Dead: 2; 2 more will probably die

Gulfport Dead: 2 Hattiesburg Dead: 7

Greenville Dead: 1; 1 more will probably die

Jackson Dead: 1

In other parts throughout the State.

from individual mishaps Dead: 7

Dead: 26

If we had this many people killed by storms or disease, every citizen in Mississippi would be up in arms; therefore, we say traffic deaths have reached the epidemic stage and something must be done about it. Practically all of these deaths have been caused by speeds too fast for conditions. However, there are other violations as well. For the past 11 years, the Highway Patrol has warned thousands of people each year on borderline cases where they could have been given a ticket.

Says Birdsong further: "we do not expect to persecute anyone." However, beginning August 8th there will be no more warnings issued by the Mississippi Patrol; therefore, we urge all motorists to stay within the prescribed speed limit, whether you be driving car, truck, or bus. Check your car every day for defective taillights, headlights, breaks, horn, and windshield wipers; and get rid of those fogged up windshields, cardboard doors, windows, etc. No more excuses for anyone—regardless of race, color, creed, or who you are—and we advise you to be sure your dimmer switch is working on your headlights and by all means use it when meeting a car. And as to speeding, don't let your foot get too heavy on that accelerator. "This is not a drive or campaign," says Birdsong, "but stepped-up selective enforcement."

There will be no regular working hours for the Highway Patrol, but selective enforcement will be used and each patrolman will be working hours when necessary, that where and when the traffic is on his run and at the time the accidents and violations are occurring.

We refer to the Three E's, namely Education, Engineering, and Enforcement.

- 1. In the field of Traffic Safety Education, an outstanding job has been done by the cooperative program of the State Department of Education, Highway Patrol, press, and radio. This educator program will continue.
- 2. In Engineering, the Highway Department has given Mississippi the best system of highways in the Nation.
- 3. We must turn to Enforcement in a right, fair, and impartial manner if we are to stop death on our highways. The drinking driver is the most dangerous driver on our highways, and we hope to rid the highways of this menace, and convicted their license will be revoked for one year.

SO IF YOU DRIVE, DON'T DRINK; AND IF YOU DRINK, DON'T DRIVE.

We are asking every Sheriff, Constable, Chief of Police, County Patrolman, Judge and in fact ever officer charged with enforcing the laws of Mississippi to join us in this movement, and certainly urge all drivers and pedestrians alike to help us to save your life. The honeymoon is over and there will be no ticket fixing. So, Mr. Motorist, get your house in order and keep it that way.

REMEMBER: August 8th, 1949, is the deadline for Warnings for Traffic Violators.

Perry Murphy Pitches Great Game

A close game was played over in Athens, Alabama, between the local Lions Club team and Athens' Semi Pros. The Lions Club won by a score of 6-5 behind the superb pitching of little Left Murphy. McAlister, Goodwin, and Burnett led the hitting department with two hits each.

Danny McAlister played a good game in left field while Jimmy Carter was making sparks around second base.

LIONS WINS FROM CHEROKEE 8-4

The Iuka Lions Club came out on the long end of an 8-4 baseball game out at Jourdan field last Sunday. Perry Murphy, pint-sized southpaw let the visitors down with three scattered hits. Cherokee scored three times in the first two innings on a leadoff hit by Blackburn, who stole second, went to third on an error and was called safe at home on a close play which catcher Jack Godwin protected loudly. Their next two runs came into second inning by successive errors. Their final tally came in the eighth inning when Guess got by on an error and came in on a hit by Malone. Gerald Burnett, Pete Vaughn, and Gibson let the attack for the Lions with two each. Godwin and Hudson got one each. Three runs were scored in the first inning when Jack Godwin banged out a single to right center field and stole second standing up. He was trapped between second and third on a fielder's choice. Hudson walked; B. Burnett took first on a fielder's choice. Gibson got by on an error and so did Amos Timbes, who took first while Burnett, Hudson, and Gibson were scoring. Vaughn scored in the second inning after sending a sharp single between short and second. Vaughn stole second went to third on an error and scored after Gibson hit to right field. Vaughn and Burnett scored again in the fourth inning and Gibson and Timbes scored the last two runs in the fifth.

The Truth About Electric Appliance Prices

Are Prices Too High? Are You Getting The New Features And Quality You Expected In Post-War Appliances?

If your family has been thinking of buying a new appliance, you may be confused by conflicting stories about today's prices and values.

The fact is, there is no purchase you can make at this time that brings you more real value for your money than a good electric appliance. While the cost of living is up 70 percent over 1939, according to government statistics, the average price increase of ranges, refrigerators, washing machines, water heaters, and dishwashers is only a little more than half that!

For example, today you can by a brand new 1949 Hotpoint Refrigerator for \$189.75 – only \$10 more than the same kind and size cost in 1939 – and this is a lot better refrigerator and has many improved features. When you consider that the dollar today is worth just 60% of its 1939 value, you must agree that this new, vastly improved Hotpoint post-war refrigerator actually cost a lot less.

Compare this with the price increase in automobiles, houses, or almost any thing you buy—up from 50 to more than 100 percent.

We see no reason for you to wait to buy a new appliance. At today's new low appliance prices you get the greatest dollar-for-dollar values we have ever have been able to offer. We say this knowing full well that our future depends on satisfying you. We sell a lot of things—everything for the complete electric kitchen and home laundry—so we can't afford to loose you as a future customer when you buy any one of our appliances.

"You can Look to Hotpoint for the Finest—FIRST" is no idle statement. We mean it. So, we back it up with the greatest dollar-for-dollar value in quality appliances every offered—right now!
